PUBLIC HEARING

1. Approval of Final Amended 3-year Budget Covering 2016-17 through 2018-19

Budget Manager Seth Wurzel provided a power point presentation for the recommendation of the Final Amended 3-year budget covering the 2016-17 through 2018-19. He explained the process and purpose for budget amendments and expenditure details. The budget approval process is a two-step process with preliminary approval on April 11. He provided budget comparison summaries for the 5 and 3-year expenditures for all allocations of funds. He also provided a chart outlining the SBFCA Program Budget Organization.

Director Charlie Hoppin asked how the cost share for the NED was calculated: is it based on actuals or on a percentage.

Executive Director Mike Inamine answered that the USACE estimate is higher and SBFCA is working through the cost estimate with the USACE based on actual costs.

Director Stan Cleveland opened the public hearing and invited members of the public to provide comment.

No public comment.

The entire report, along with a PowerPoint presentation is available on the SBFA website at:

PRESENTATION, DISCUSSION & ACTION ITEMS

Executive Director Mike Inamine indicated that the following additional items were added to the agenda after distribution. The updated agenda was provided to the Board of Directors and made available for public inspection in the office of the Board Clerk, Sutter County Library and posted on the SBFCA website.

5a Federal Sutter Basin Flood Risk Management Project Update

Executive Director Mike Inamine introduced the item and provided an overview on the Sutter Basin Flood Risk Management Project (Star Bend to Laurel Avenue). He reported HDR Engineering completed a 65-percent design for the Laurel to Star Bend area of the Feather River West Levee Project and submitted it in March of 2012 for Agency and partner agency review. Prior to that date, an Alternatives analyses report was prepared for this area within the HDR team's Pre-design Formulation Report (PFR), dated August 2011. In February of 2012, the HDR team prepared 65-percent plans for the project area.

SBFCA has coordinated with the US Army Corps of Engineers (USACE) on advancing the 65-percent designs for the Laurel Avenue to South Star Bend project through final design and construction. The scope of work for the design of the project includes advancing the 65-percent plans completed in February of 2012 to final design. The work will be done by the SBFCA Design Team on behalf of USACE. 95-percent, 100-percent, and Final Design (Ready to Advertise) submittal packages are planned as a part of the project.

5b Approval of Task Order with HDR to Advance Federal Project

Executive Director Mike Inamine introduced the item and provided background. The discussion related to this item can be viewed in its entirety on the SBFCA website: <http://sutterbutteflood.org/board/meetings-agendas/>.
