

Sutter Butte Flood Control Agency

Board of Directors Agenda – Regular Meeting, October 10, 2018, 1 p.m.
City of Yuba City Council Chambers - 1201 Civic Center Blvd., Yuba City, CA

The agenda is posted in the building of the Sutter Butte Flood Control Agency at 1130 Civic Center Blvd. Suite B, Yuba City, and at the Sutter County Library, 750 Forbes Avenue, Yuba City. The agenda summary, backup materials, and approved minutes are also posted on the Sutter Butte Flood Control Agency website at sutterbutteflood.org. Materials related to an item on this agenda and submitted to the Board of Directors after distribution of the agenda packet are available for public inspection in the office of the Board Clerk at 1130 Civic Center Blvd, Suite B, Yuba City, during normal business hours. In compliance with the American with Disabilities Act, the meeting room is wheelchair accessible and disabled parking is available. If you have a disability and need, disability related modifications or accommodations to participate in this meeting, please contact the SBFCA office at 530-755-9859 or admin@sutterbutteflood.org. Requests must be made one full business day before the start of the meeting.

County of Sutter

Mat Conant
Larry Munger
Alt. Ron Sullenger
Alt. Jim Whiteaker

County of Butte

Bill Connelly
Steve Lambert

City of Yuba City

John Buckland
Stan Cleveland
Alt. Manny Cardoza
Alt. Shon Harris

City of Live Oak

Jason Banks
Alt. Lakhvir Ghag

City of Gridley

Frank Hall
Alt. Gary Davidson

City of Biggs

Bo Sheppard
Alt. Roger Firth

Levee District 1

Francis Silva
Charlie Hoppin
Alt. Sally Serger
Alt. Drew Stresser

Levee District 9

Mike Morris
Chris Schmidl
Alt. David Schmidl

Persons wishing to address the Board during consideration of matters listed on the agenda will be allowed to do so. Testimony should always begin with the speaker giving his or her name and place of residence. Requests for assistive listening devices or other accommodations, such as interpretive services, should be made through the Sutter Butte Flood Control Agency office at 530-755-9859. Requests should be made at least 72 hours prior to the meeting. Later requests will be accommodated to the extent feasible.

AGENDA SUMMARY

REGULAR MEETING/CALL TO ORDER

- Roll Call
- Pledge of Allegiance

CONSENT CALENDAR

The Consent Calendar groups together those items which are considered noncontroversial or for which prior policy direction has been given to staff and that require only routine action by the Board. The Chair will advise the audience that the matters may be adopted in total by one motion; however, the Board may, at its option or upon request of a member of the public, consider any matter separately.

1. Approval of the Minutes for the September 12, 2018 Board Meeting.

2. Resolution affirming the importance of Levee District One on their 150th Anniversary

PRESENTATION, DISCUSSION & ACTION ITEMS

3. Receive and File Monthly Financial Report

INFORMATIONAL AND POSSIBLE APPROVAL ITEMS

4. Receive and File Program/Project Update
5. Other Reports from Agency Staff and Consultants
6. Report by Member and Partner Agencies

CORRESPONDENCE

7. Report on Correspondence Sent by and Received by the Board

PUBLIC COMMENT

Members of the public will be allowed to address the Sutter Butte Flood Control Agency's Board of Directors on items of interest to the public that are within the subject matter jurisdiction of the Board. Any member of the audience who may wish to bring a matter before the Board that has not been placed on the agenda may do so at this time; however, State law provides that no action may be taken on any item not appearing on the posted Agenda.

ADJOURNMENT

The next regularly scheduled Board of Directors meeting will be held on Wednesday, November 14, 2018 at 1 p.m., Yuba City Council Chambers – 1201 Civic Center Blvd., Yuba City, CA 95993

Sutter Butte Flood Control Agency

Board of Directors Minutes Regular Meeting, September 12, 2018, 1 p.m.
City of Yuba City Council Chambers - 1201 Civic Center Blvd., Yuba City, CA

The Sutter Butte Flood Control Agency (Agency) Board of Directors (Board), State of California, met on the above date at 1 p.m. at the City of Yuba City Council Chambers - 1201 Civic Center Boulevard, Yuba City, CA.

These minutes do not represent a transcript of the meeting and are intended to be a summary of the most important points. For a complete record, please refer to the video recording of the meeting, which is posted on SBFCA's website: <http://sutterbutteflood.org/board/meetings-agendas/>

MEMBERS PRESENT

County of Sutter:	Mat Conant, Larry Munger
County of Butte:	Bill Connelly, Steve Lambert
City of Yuba City:	Manny Cardoza
City of Biggs:	Bo Sheppard
City of Gridley:	Frank Hall
Levee District 9:	Mike Morris, Chris Schmidl
Levee District 1:	Charlie Hoppin, Francis Silva

MEMBERS ABSENT: Jason Banks, John Buckland, Stan Cleveland

STAFF PRESENT: Michael Bessette, Director of Engineering; Scott Shapiro, Agency Counsel; Kim Floyd, Public Outreach Manager; Seth Wurzel, Budget Manager; and Terra Yaney, Board Clerk

MEETING/CALL TO ORDER

At 1p.m., Director Steve Lambert opened the meeting and led the group in the pledge of allegiance.

CONSENT CALENDAR

1. Approval of the Minutes for the August 8, 2018 Board Meeting

A motion to approve the Consent Calendar was made by Director Chris Schmidl and seconded by Director Mat Conant. The motion passed with no objection. The Consent Calendar was approved as follows:

- Manny Cardoza- yes
- Mat Conant- yes
- Bill Connelly- yes
- Frank Hall- yes
- Charlie Hoppin- yes
- Steve Lambert- yes
- Mike Morris- yes
- Larry Munger- yes
- Chris Schmidl- yes
- Bo Sheppard-yes
- Francis Silva - yes

No public Comment

The entire discussion is available on the SBFCA website at: <http://sutterbutteflood.org/board/meetings-agendas/>

PRESENTATION, DISCUSSION & ACTION ITEMS

2. Authorization to Advertise for Bids for Non-Federal Construction of Sutter Basin Flood Risk Management Project and Delegation of Authority to the Executive Director to execute a Local Project Partnership Agreement with the Central Valley Flood Protection Board

Director of Engineering Michael Bessette reviewed and read the recommended action from the staff report. The recommended action read: Grant authority to SBFCA's Executive Director to: (A) advertise for bids to construct the Sutter Basin Flood Risk Management Project (SBFRMP), from Tudor Road to Cypress Avenue, under either of two scenarios; 1) all 5 miles of the project, or 2) a portion of the project up to the Non-Federal cost share with the ability to award the remainder of the project at a future date; (B) execute a Local Project Partnership Agreement with the Central Valley Flood Protection Board.

Mr. Bessette reported that we continue to work with the US Army Corps to find a mechanism to allow the local agencies (SBFCA) to issue the project for bid, and to manage the construction of the project. He described the multiple funding scenarios that we are reviewing with the Corps; Section 1043B (WRDA 2014) and Section 204 Reimbursement Agreement. He explained that the scenarios are not fully ironed out, but we are asking the board to grant us authority to go out to bid when once we have a solution. We anticipate going out to bid next month.

Agency Counsel Scott Shapiro provided an update on the Water Resources Development Act (WRDA) Bill.

Director Charlie Hoppin complimented SBFCA staff and counsel for perusing the different paths of funding and the ultimate completion of the project. He expressed his concern with the USACE and the hurdles that we continue to face. Mr. Hoppin suggested the SBFCA board chair write a letter to the appropriate branch of USACE to remind them that this is a public safety issue, this section of levee was further weakened by the 2017 high water event and as members of the SBFCA board our concern is for the safety of our community.

Director Mat Conant agreed.

No public Comment

The entire discussion is available on the SBFCA website at: <http://sutterbutterflood.org/board/meetings-agendas/>

A motion to approve Item two of the agenda with the recommendation to draft a letter from the Board Chair to USACE was made by Director Manny Cardoza and seconded by Director Mike Morris. The motion passed with no objection and was approved as follows:

- **Manny Cardoza- yes**
- **Mat Conant- yes**
- **Bill Connelly- yes**
- **Frank Hall- yes**
- **Charlie Hoppin- yes**
- **Steve Lambert- yes**
- **Mike Morris- yes**
- **Larry Munger- yes**
- **Chris Schmidl- yes**
- **Bo Sheppard-yes**
- **Francis Silva - yes**

3. Receive and File Monthly Financial Report

Budget Manager Seth Wurzel presented the monthly financial reports for July. He reported that our FEMA/CalOES funding for Laurel Ave was approved on September 5th, we can now submit for reimbursement requests and start coordination with CalOES. He also reported that the annual audit for fiscal year 2017-18 is underway. The entire report, along with a PowerPoint presentation is available on the SBFCA website at: <http://sutterbutterflood.org/board/meetings-agendas/>

Public Comment

Yuba City resident Elaine Miles provided public comment regarding the financial report in regard to assessment money.

INFORMATIONAL AND POSSIBLE APPROVAL ITEMS

4. Program/Project Update

Director of Engineering Michael Bessette gave a presentation outlining recent and ongoing activities. He reported that we are in active construction on the Oroville Wildlife Area project. Construction began in early August and the contractor is currently progressing on the inflow weir, outflow weir, interior channel, and fish berm improvements. The project team is coordinating closely with both DWR and CDFW as part of the construction effort.

Mr. Bessette provided an update on the UPRR Closure Structure agreement. He reported that negotiations continue. SBFCA completed the necessary documents to grant an access easement from Rednall Road to the waterside property owner. UPRR staff had informed SBFCA that once the easement was in place the Construction & Maintenance Agreement needed for the Closure project could be finalized. SBFCA is still waiting on final direction on this process.

He went on to report that the design team is working on the Reach 25 pipe grouting. The design team is working closely with the Central Valley Flood Protection Board and USACE to get the SBFCA contract documents ready to go out to bid.

Mr. Bessette reported that staff continues to work with Sutter County Public Works on the Laurel Avenue road repair. County staff is working on the design and will go out to bid at the end of the year and start construction in Spring 2019. It was reported that the DWR Small Communities Grant project scoping is underway. We are now assembling hydraulics and hydraulic information to be utilized in the study.

The entire report, along with a PowerPoint presentation is available on the SBFCA website at:

<http://sutterbutterflood.org/board/meetings-agendas/>

5. Other Reports from Agency Staff and Consultants

Nothing to report.

6. Report by Member and Partner Agencies

Nothing to report.

CORRESPONDENCE

7. Report on Correspondence Sent by and Received by the Board

Nothing to report.

PUBLIC COMMENT

None

ADJOURNMENT

With no further business coming before the Board, the meeting was adjourned at 1:44p.m.

ATTEST BY: _____

Terra Yaney, Board Clerk

Steve Lambert, Board Chair

Sutter Butte Flood Control Agency

A Partnership for Flood Safety

October 10, 2018

TO: Board of Directors

FROM: Mike Inamine - Executive Director

SUBJECT: Resolution Affirming the Importance of Levee District One on their 150th Anniversary.

This time has been set aside on the agenda for a report and discussion by Executive Director Mike Inamine.

Materials, should they be necessary, will be provided at the Board meeting.

Sutter Butte Flood Control Agency

A Partnership for Flood Safety

October 10, 2018

TO: Board of Directors

FROM: Mike Inamine, Executive Director
Seth Wurzel, Budget Manager

SUBJECT: Receive and File Monthly Financial Reports (August 2018)

Recommendation

Staff recommends that the Board receive and file the August 2018 Financial Report and receive staff's monthly financial report update.

Background

Staff will provide a brief presentation of SBFCA's current financial position and financial activities at the Board meeting and will be prepared to answer any questions. For this report, staff is presenting financial information for August 2018. Staff's oral presentation will cover the financial activities of the Agency through August 2018.

The monthly financial reports include the following information:

- Current Working Capital Position: The reports provide an update as to the liquidity of the Agency and ability to cover current obligations. This information is presented within the monthly financial report prepared in coordination with Yuba City finance staff. The current and past months' financial reports reflects the financial information as of August 2018. The information presented is compared to the Final Amended Final Budgets for FY 2017/18 and 2018/19.

Fiscal Impact

This is an informational item with no fiscal impact.

Sutter Butte Flood Control Agency

A Partnership for Flood Safety

October 10, 2018

Item 4

TO: Board of Directors
FROM: Mike Inamine, Executive Director
SUBJECT: Program/Project Update

This time has been set aside on the agenda for a report and discussion (if necessary) by member and partner agency representatives.

Item 5

TO: Board of Directors
FROM: Mike Inamine, Executive Director
SUBJECT: Other Reports by Agency Staff and Consultants

This time has been set aside on the agenda for Board discussion and staff response regarding correspondence received by the Agency.

Item 6

TO: Board of Directors
FROM: Mike Inamine, Executive Director
SUBJECT: Report by Member Partner Agencies

This time has been set aside on the agenda for Board discussion and staff response regarding correspondence received by the Agency.

Item 7

TO: Board of Directors
FROM: Mike Inamine, Executive Director
SUBJECT: Report on Correspondence Sent by and Received by the Board

Fiscal Impact

The above items are informational only with no fiscal impact to the Agency.

Sutter Butte Flood Control Agency

A Partnership for Flood Safety

October 10, 2018

TO: Board of Directors

FROM: Mike Inamine - Executive Director
Michael Bessette - Director of Engineering

SUBJECT: Receive and File Program/Project Update Report

Recommendation

Receive and file the October 2018 Program/Project update report.

Background

The purpose of this report is to provide a regular, monthly update on SBFCA program and project activities:

Engineering Design

The design team continued their project close-out efforts on the Gaps project, Laurel Avenue project, and Emergency Levee Repair of Reaches 14-16. Close out efforts include performing final quality assurance surveys, reviewing all contractor final submittals, completing as-built drawings, assisting with completion of the construction completion reports, and coordinating with the Construction Manager on other necessary closeout work.

Negotiations with Union Pacific Railroad (UPRR) on the UPRR Closure Structure project in Yuba City (Live Oak Boulevard) continue. SBFCA granted an access easement from Rednall Road to the waterside property owner most affected by the UPRR closure of the at-grade crossing over the railroad tracks. UPRR staff had informed SBFCA that once the access easement was in place the Construction & Maintenance Agreement needed for the Closure project could be finalized. A coordination call took place end of September and UPRR has informed staff that a decision will be made by mid October.

Construction Management (Project Areas B, C & D, and Completion Projects)

The Construction management team completed the construction completion report for Laurel Avenue and is close to completing the construction completion report for the Completion Project (Gaps). Both reports are to be submitted to DWR, USACE, and the CVFPB for their review and approval. The Laurel Avenue report was recently approved by DWR.

Over the past month, the CM team continued construction management and administrative duties on the Reaches 14-16 Emergency Levee repair related to final contractor payments and project closeout activities including the construction completion report.

Environmental Documentation/Permitting/Monitoring

Biological and cultural monitoring activities have concluded now that levee construction work is complete within Reaches 14-16 in Yuba City, however, one biologist will be needed when PG&E performs utility pole relocations in the near future. Biological and cultural monitoring for the Oroville Wildlife Area Project is ongoing (see OWA item below). SBFCA staff is coordinating with the Sacramento Valley Conservancy (SVC) on the Star Bend and Mathews Property mitigation sites.

SBFCA staff and consultants met with the Three Rivers Levee Improvement Authority (TRLIA) to discuss the status of their mitigation bank establishment and SBFCA's desire to mitigate for FRWLP riparian impacts at their bank. This coordination with TRLIA is on the riparian habitat mitigation requirements for Project Areas B, C & D of the FRWLP. Riparian habitat mitigation is to take place within TRLIA's Feather River Setback Conservation Bank located on the east side of the Feather River between Star Bend and Shanghai Bend. SBFCA will also be working to plan a mitigation site for Yellow Billed Cuckoo in this area as well. This area also has the potential to incorporate mitigation for the Federal Project thereby providing an additional option for needed mitigation.

Right of Way

The right-of-way team continues to work on the land acquisition necessary for the federal project (between Tudor Road and Cypress Avenue), and closing out all acquisitions needed for the FRWLP. The SBFCA right-of-way team and DWR continue to conduct monthly coordination meetings to streamline the real estate acquisition reimbursement process and ultimate transfer of property to the State. Staff is working with DWR to prioritize the high-dollar reimbursement of SBFCA.

State & Local Funding and Coordination

EIP / UFRR Agreement

SBFCA staff has been working with DWR to process several payment and reimbursement requests for various items of work. The status is summarized in the following table. There are no revisions from the information reported last month relative to the information stated here. The tables below reflect payment requests submitted by SBFCA and status with DWR.

<u>Payment Request Summary</u>		
Payment Item (UFRR Agreement)	Amount	Status
Pmt #17 – True-Up through 9/30/2017	\$1,215,179	Reviewed, in process by DWR for payment
Pmt #18 – True-Up through 12/31/2017	\$389,081	Submitted to DWR, under review
Pmt #19 – True-Up through 3/31/2018	\$1,042,688	Revised submitted to DWR
Pmt #20 – True-Up through 6/30/2018	\$1,372,904	Revised submitted to DWR
Pmt #21 – Advance through 9/20/2018	\$3,068,430	Pending submittal to DWR
Pmt #TBD – Partial Retention Release for B & D	\$8,611,000	Draft revised payment request submitted to DWR for comment
Total Pending Payments	\$ 15,699,282	

The following table summarizes SBFCA's EIP/UFRR grant funding committed, in process and received to date.

FRWLP DWR EIP/UFRR Funding

	<u>Agreement</u>		
	<u>Design</u>	<u>Construction</u>	<u>Total</u>
Agreement No.	#4600009480	#4600010296	
Capital Outlay Amount	\$9,000,000	\$56,780,000	\$65,780,000
Amendment 1	\$0 [1]	\$0 [2]	\$0
Amendment 2	\$14,869,280 [3]	\$57,803,791 [4]	\$72,673,071

PMT 11	\$0	\$7,898,917	\$7,898,917
PMT 12	\$0	\$4,448,651	\$4,448,651
PMT 13	\$0	\$10,874,296	\$10,874,296
PMT 14	\$0	\$7,437,563	\$7,437,563
PMT 15	\$0	\$23,700,719	\$23,700,719
RET. & FINAL PMT	\$1,594,667	\$0	\$1,594,667
ROW Payment	\$0	\$251,595	\$251,595
Pending	\$0	\$15,699,282 [6]	\$15,699,282
TOTAL PAYMENTS	\$21,339,829	\$208,725,393	\$230,065,222
GRANT BALANCE	\$0	\$22,279,367	\$22,279,367

- [1] Amendment 1 to the Design Agreement amended the term of the agreement.
- [2] Amendment 1 to the Construction Agreement amended the scope agreement to include the closure of gaps (at reaches 13 and 24) in Area C.
- [3] Amendment 2 to the Design Agreement increased the cost share from 50% to 76% State Cost Share and increased the State funding limit.
- [4] Amendment 2 to the Construction Agreement increased the scope to include Areas B & D2A and increased the State funding limit. It also incorporated many of the guideline provisions of the UFRR Program.
- [5] Reflects pending transfer of remaining design funding to the CFA and additional funding from DWR for emergency work (\$25,000,000 for R 14 – 16 and \$4,201,000 for emergency storm response).
- [6] Pending Payments per above listing.

Laurel Avenue Repair Project (DWR Flood System Repair Program Grant)

As noted in items above, the design team completed the as-built drawings which were incorporated into the construction completion report by the CM team and this report has recently been delivered to DWR, IPE, and the USACE for review and approval. Once the construction completion report is approved by our partner agencies, SBFCA staff will advance the state funding agreement toward closeout and final retention release. Currently, DWR is reviewing more than \$1.8 million in reimbursements related to the Laurel Project. [Note: Per Board direction, staff is coordinating with Sutter County to complete road repairs to Laurel Avenue related to the emergency work stemming from the February 2017 storm and high-water events. Staff is seeking funding for this work under SBFCA’s UFRR Grant with the supplemental funding provided through that grant for emergency repair work. Staff is coordinating with the County to finalize the agreement for this funding.]

Emergency Levee Repair of Reaches 14-16 in Yuba City

The contractor has completed all levee improvements including final punch-list and cleanup. Project closeout documentation and final contractor payments are currently being processed.

FEMA/Cal OES Public Assistance Request for 2017 Storm Damage

SBFCA continues to coordinate with CalOES and FEMA on their review and approval for reimbursement funding. SBFCA has finalized three Project Worksheets with CalOES covering the eligible funding items with FEMA. These three requests cover the following work and their status is noted in the matrix below:

PW #	Scope	Approx. Amount	Status
SUBFB01	Flood fighting in Yuba City	\$92,397	Approved by FEMA <i>(Documentation and funding received)</i>
SUBFD02	Elderberry Habitat and Irrigation System	\$45,817	Approved by FEMA <i>(Documentation and funding received, portion of denied claim appealed by SBFCA.)</i>
SUBFB03	Rock Berm and Flood Fighting	\$3,658,515	Approved by FEMA <i>(Documentation received, awaiting payment from CalOES)</i>

To date, all three worksheets have been formally approved. All documentation and funding for two projects has been received – a total of \$126,862. Funding for the larger third project is in process and awaiting receipt. The documentation received confirms a payment of \$3,734,658 is in process, which includes an administrative allowance.

Oroville Wildlife Area (OWA) Flood Stage Reduction Project

Construction work continues on the inflow weir, outflow weir, interior channel, and fish berm improvements. The project team is coordinating closely with both DWR and CDFW as part of the construction effort. The project team also continues to work on the design of the recreational improvements and on the invasive species removal efforts. After meeting with DWR Oroville Field Division on August 29th to review and discuss the 30% design plans the team is incorporating input received to finalize the designs. In regards to funding, SBFCA staff continues to coordinate with both American Rivers and River Partners to implement the recent grants which they received from the Wildlife Conservation Board and CDFW. The team also continues to research additional opportunities to fund the remaining restoration related work. Several discussions with DWR staff have taken place in order to better understand available grant opportunities resulting from the recent passage of Proposition 68 and other sources.

Sutter Basin Flood Risk Management Project (federal project)

On August 15, 2018 SBFCA’s Executive Director sent a letter to the Assistant Secretary of the Army (ASA) requesting approval to implement a Section 204 agreement. In a letter received on October 1, 2018, the ASA rejected this request. SBFCA disagrees with the stated interpretation of Section 204. At the September board meeting, the board unanimously agreed to write their own letter to the ASA affirming staff’s Section 204 request, and alternatively, renewing the request for local construction upon passage of the Water Resources Development Act of 2018 (pending). Both Congressmen Garamendi and LaMalfa, along with their respective staff, continue to provide key support in Washington D.C.

SBFCA and the State of California, through the Central Valley Flood Protection Board, approved a Local Project Partnership Agreement (LPPA) on September 28th. The LPPA defines how the two non-federal partners in the project will cost share their portions of the project costs. Staff will be advancing a request for credit for work on the project already completed. This credit request will help alleviate cash flow concerns by allowing the State to advance more of the upfront non-Federal costs of the project as it moves forward. The design team successfully closed-out all review comments received from the Corps’ Safety Assurance Review (SAR) team and Agency Technical Review (ATR) team. The design team submitted final bid documents to USACE on September 27, 2018. SBFCA staff and consultants are providing engineering (including cost engineering), economics, Right-of-Way, cultural and environmental permitting support. Staff participates in frequent USACE project management team meetings.

Resource Conservation Investment Strategy

Staff and consultants are participating on the Steering Committee of this Pilot Project as previously reported as well as a “Best Practices” workshop. Depending on timing, this Pilot could result in savings of time, money and process required for environmental mitigation for the federal project.

Proposition 68

Staff continues to coordinate funding requests and \$5 million of direct funding to support SBFCA-led projects.

Fiscal Impact

This is an informational item only with no fiscal impact to SBFCA.
